Help Support Tampa Bay Alpha Phi with your Annual Chapter Dues

Your annual membership dues enable our Chapter to mail newsletters, supplement event costs, host the website, support local Florida College Chapters and handle miscellaneous expenses. We rely solely on membership dues to cover our financial needs.

★ LOCAL Chapter dues are only \$30 per year, or \$50 for IVY level. Your dues support annual Chapter expenses. Members receive a printed directory and two newsletter mailings. Please pay local Chapter dues using the enclosed form, or pay at any event. We genuinely appreciate your support!

★ NATIONAL Alpha Phi also depends on annual dues from alumnae. National dues go up one penny each year as "Founders Day Pennies". This year's July 2022 National dues are \$38.50. Alternatively you can pay LIFETIME DUES and become a member of the Alpha Phi Lifelong Society. You will receive a special Alpha Phi pin in appreciation. Lifetime dues are \$450 that can be paid in one check or by credit card, or automatically billed \$38.63 for 12 months to your credit card. Information at www.alphaphi.org (sign in and scroll down to click on "Join the Lifelong Society" to pay annual dues or lifelong.)

They thanked Tampa Bay Alpha Phi for the generous gift. These recovery chairs will benefit patients in both recovery and treatment for many years to come.

The Chapter also donated \$1,150 to **Alpha Phi Foundation "Leading with Heart Campaign"** in February 2022 in honor of our Milestone 150th Anniversary year. The money will help fund heart health research, college scholarship awards, and innovative leadership programs offered to select college women enhancing their success after graduation.

ALPHA PHI June 2022 International Convention Celebrating our 150th Year!

International President Jacqueline Schools (on left) presenting Chapter award to Ali Goldberg (on right).

Thanks to **Ali Goldberg**, VP of Programs, for representing our Chapter at June Convention in Scottsdale, Arizona. Alpha Phi Convention is held every other year, inviting College Chapter Presidents with their Advisors to meet and interact with Alumnae Chapter officers, develop chapter leadership skills, and participate in official Fraternity business.

Thrilled to announce our Tampa Bay Chapter was presented the Alumnae Community Connection Award at the 150th Convention in Arizona! This award recognized our Chapter's multiple points and methods of continued communications with alumnae and FL Collegiate Chapters (especially during Covid shutdown) using website updates, mailed newsletters, increased Facebook posts, new member welcome committee touch points, College Chapter communications and support, and hand-written notes and emails to check-in on members, as well as providing details and links to interesting Zoom social events offered by Alpha Phi International and local Panhellenic Chapters to encourage additional social engagement.

This was one of only four awards by which our International Fraternity acknowledged the work of four specific Alumnae Chapters across the country, indeed a very high honor!

Genuine thanks to **Ali Goldberg** for accepting this Chapter award from outgoing **International President Jacqueline Schools**, and our gratitude to Alpha Phi for bestowing it.
